Limited Warranty on SCNN Products
 We, Senza Ltd, give warranty to the original purchaser of any Senza Product on all the parts for our (1) year.
 This warranty covers all defects in materials and construction that happen after leaving with the product.

What is Not Covered by Limited Warranty?
 Our limited warranty does not cover problems with a replacement product caused by normal wear and tear. It also does not cover problems with a replacement product resulting from external causes such as extreme climate, fire, flooding, vandalism, accidents, crashes, negligence, fire, theft, vandalism, car, explosion, natural disaster, or other acts of God. Damages or financial costs are not covered resulting from a misuse of a replacement product that is not in accordance with product instructions or resulting from a failure to follow product instructions or a failure to perform preventive maintenance as required or suggested by the manufacturer or its maintenance schedule. Finally, it does not cover replacement products that we do not sell and/or control the production.

Our limited warranty does not apply to the quality of the installation of a replacement product on your site. It also does not apply to any problems with a replacement product caused by relating to the extension or otherwise of the computer like performance needs in your equipment, including, for example, a number of a replacement product. For example, this limited warranty would not cover problems with a replacement product resulting from such as excessive vibrations, surges, power, memory does not include software upgrades.

Warranty period
 Our limited warranty is good for up to one (1) year from the date of purchase. This limited warranty begins on the date of your proof of purchase document. The warranty period is not extended if the user or replace a replacement product. The warranty period is not extended if the user replaces a user accessories, but any such change will not be considered.

What Do I Do if I Need Warranty Service?
 To obtain warranty service, please contact us by: email: senza@scnn.com
 telephone: +39 02 90000000 and continue to follow to read the product or replace.

We will provide you with detailed information and instructions on how to read the product or replace.
 You will be asked to send us (1) the defective product, (2) a copy of your proof of purchase for the defective product (the invoice), (3) the warranty proof (the document), and (4) a description of the problem.

Upon our completion of the replacement product or the document, the user shall be within the scope of this limited warranty, we will send you a replacement product free of charge that not including any transportation cost. We will make such transportation cost. For the alternative, send your replacement product, within every (1) days following the day of receipt of the replacement product.

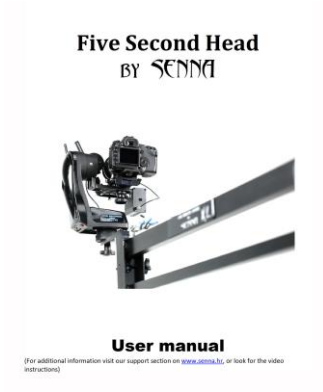

If we are able to repair your replacement product because it is not available, we will either repair it with a compatible product or substitute you for your purchase cost (as indicated on your proof of purchase), at our own option.

We will bear the costs of shipping the replacement product to you.

If we determine that the problem is not covered under this limited warranty, we will notify you and follow one of service alternatives that are available to you in the future.

Replacement products are covered for the remaining period of the limited warranty covering the replacement product that you bought. We will not accept any replacement product to be exchanged for a replacement product.
