**Limited Warranty on SENNA Products**

We, Senna Ltd, give warranty to the original purchaser of any Senna Product, on all the parts for one (1) year. This warranty period shall commence on the date of purchase of the product.

**What is Not Covered by Limited Warranty?**

Our limited warranty does not cover products with a warranty period stated to be normal wear and tear. It also does not cover products with a warranty period requiring the removal of parts such as a camera, sensor, remote, mounting, software, accessories, upgrades, etc. We do not cover products that are damaged, modified, or altered in any way. Moreover, it does not cover products that are damaged by misuse, including but not limited to, the use of the product for purposes not intended by the manufacturer. Finally, it does not cover replacement parts for the product.

Our limited warranty does not apply to the quality of the installation of a warranted product on your site. It also does not apply to any problems with a warranted product caused by existing or future alterations or modifications to the product or the performance of your equipment, including, for example, an alteration of a warranted product. For example, this limited warranty would not cover problems with a warranted product resulting from such as a camera's installation.

Finally, warranty does not include software upgrades.

**Warranty period**

Our limited warranty is good for one (1) year from the date of purchase. This limited warranty begins on the date of your proof of purchase document. The warranty period can be extended if we agree to replace a warranted product. We will charge the purchaser of the product a replacement fee at our discretion, but any such charges will not be returned.

**What Do I Do if I Need Warranty Service?**

To obtain warranty service, please contact us by:

• Email: [support@senna.com](mailto:support@senna.com)  
 • Phone: +91 92232 11112

We will provide you with detailed information and instructions on how to send the product as requested.

You will need to send (1) the defective product, (2) a copy of your proof of purchase for the defective product (the invoice), (3) the warranty proof (this document), and (4) a description of the problem.

Upon our receipt of the defective product and our determination that your claim falls within the scope of this limited warranty, we will send you a replacement product free of charge (that we include any installation cost). We will make local transportation, if it is applicable, and any replacement product within 10 days following the date of receipt of the materials listed above.

If we are unable to replace your warranted product because it has been discontinued or not available, we will either replace it with a comparable product or reimburse you for your purchase cost (as indicated on your proof of purchase), at our sole option.

We will bear the costs of shipping the replacement product to you.

If we determine that the problem is not covered under this limited warranty, we will notify you and inform you of service alternatives that are available to you on the basis.

Replacement products are covered for the remaining period of the limited warranty covering the warranted product that you bought. We will not replace products intended to be used as a replacement for the replacement product.
